SCHOOL ACTION PLAN UPDATE

A lot has happened since I last outlined our actions.

We have had a 3 month review ✓

We have had a 6 month review—which also involved the Review Team (Mr. Greg Dickman—Regional Director, Mr. Gary Austen—Senior Reviewer, Mrs. Debbie Hails—Assistant Regional Director) meeting with not only the Leadership team, but also with a number of staff who volunteered to speak with the Reviewers ✓.

We are now working towards our 9 month review, which will be conducted on the last week of this term. The process for this review is yet to be communicated to me. To date the Review Team’s feedback has been very positive. Following is the feedback given to the school for our visioning action. I will continue to outline the work which has been done as well as the future actioning.

Pupil free day visioning workshop considered to have been a success. The process was supported by your ARD and coach. Staff were able to articulate that the process was of value; some who may not usually contribute readily did so and that participation was supported in a way that staff felt safe to have their say. Some new staff eagerly contributed to the day.

Parent questions have been developed and responses sought from 36 parents. Information being collated and used to inform the school’s vision, values and direction.

School funds being allocated to engaging a leadership coach.

It was evident that the leadership team is beginning to take shape and whilst some challenges are identified related to timetables and rosters leadership is beginning to be more distributed through others.
Last time our school rules were looked at, the focus was ‘RESPECT’.

This week I am outlining ‘ACCEPTING RESPONSIBILITIES’ and have included some examples of what this looks like for the various activities in school life.

Please note that the following information is only a list of examples—it is not considered to be a comprehensive/finite list.

ArtsLink Performance—”Thoughts Have Feelings Too” $8.00

Term 2 Artslink performance, “Thoughts Have Feelings Too” will be held next Wednesday 18th May. Cost is $8.00 per student.

**Thoughts Have Feelings Too:**

*When two clowns meet in the Professor's laboratory, they discover that thoughts and emotions are connected.*

*Thoughts Have Feelings Too* is a gentle and funny performance that teaches students how to think positively about the feelings they experience in their day-to-day lives in a primary school environment.

*Students will meet two clowns: Sweet ‘Clown’ and the absent-minded ‘Professor’. Through focusing on happy, sad, anger and fear over four scenes, the clowns discover how to recognise each emotion and simple steps to deal with them.*

Please complete the permission slip below and return with payment, in a marked envelope to the school by Tuesday 17th May.

The P & C have again been asked to run the Dining Hall catering at this year’s Toogoolawah Show. A Dining Hall catering roster has been included in this newsletter. The spots without names are still vacant.

Please, if you can spend any time helping it is greatly appreciated by all, especially those who have volunteered.

Friends and family are also welcome.
This week in Year 5

We had a visit from Lincoln’s week-old lamb named Hacksaw. He was abandoned by his mother, so Lincoln and his family took him in to care for him. Thanks Mrs Embrey for bringing him in!

We planted our very own vegetable for our class to care for. We took turns to plant each seedling while learning about how each vegetable grows from Mrs Roughan.

We planted Broccoli, Cauliflower, Zucchini and Beetroot.

We learned that Beetroot are a root vegetable and will grow under the ground.

We enjoyed planting our own vegetable garden and will enjoy looking after it. Hopefully we will be able to enter some of our vegetables in the Show! Thanks Mrs Roughan!!

I am inviting you to attend a one hour informative meeting at 7pm on Wednesday 18th May. The purpose is to discuss setting up something that I believe will greatly benefit Toogoolawah, Harlin, Moore, Linville and their surrounding districts. The meeting will be held in the Dining Hall at the Toogoolawah Showgrounds and I am specifically approaching people like yourself, a face about town, and someone people know and can trust. I would really appreciate it if you can give an hour of your time to learn about what we plan to do.

If you have been hiding under a Rock the last couple of months you may not know that the ANZ bank is closing its doors in less than three weeks and removing five jobs from the Toogoolawah Township.

As of the 1st on June there will be no fully operational bank in Toogoolawah offering all the services a bank can. I believe it is imperative to the future of Toogoolawah and surrounds that we do have a fully functional bank within the town. Fortunately we still have a Bendigo agency at the newsagents run by Mark and Pauline, and also the Heritage at the co-op to fill some of the void left behind, but we desperately need a fully functional bank for our population, and to ensure people still come to Toogoolawah for shopping and other purchases so that the business’s in town remain viable.

Over the last Month a few of us locals have been working alongside the 5th biggest bank in Australia which is known as the Bendigo bank, formerly the Bendigo Building Society. It was first established in 1858, 158 years ago. It acquired the Bank of Adelaide and together they became known as the Bendigo and Adelaide Bank (now Bendigo Bank), and when more than 2000 branches of the “big four” closed in the early 90’s they set their focus on filling the void that was left. Most of you will remember the CBA closing here in town at that time.

The Bendigo community banking model is unique to Australia. It’s simply a bank that supports smaller communities like ours, and gives us the power to own, run, manage, and return profits to our local community.

There have been 315 of these Bendigo community branches opened across Australia in the last 17 years and not one has failed, and not one has closed a branch in a regional area! They have all gone on to be successful banks run and owned by people in the community in which they operate. Bendigo has put back $130 million in community contributions. From new multi-million dollar sports and community facilities; state-of-the-art technology centers for schools and aged care centers; instruments for budding young musicians; breakfast programs to feed hungry young minds and so much more.

There is an overarching philosophy behind much of the work carried out by Bendigo and Adelaide Bank in both its day-to-day banking activities and in the work it does with Australian communities on activities unrelated to banking. Community Bank® branches provide communities with more than just quality banking services – they deliver employment opportunities for local people, keep local capital in the community, are a local investment option for shareholders and provide a source of revenue for important community projects determined by the local community.

Its information and success stories like the above which I ask you to come and listen to, and hopefully become a part of helping to create for your community!

Please let myself or Nerida Freeston know if you can attend by replying with a quick email letting us know if you will be there.

If you can’t make it but would like to know more about what a bendigo community bank can offer you and your community, or you would like to help out in some small way then let me know and we shall be in touch.

Thanking you in advance

Bill Roughan
