SCHOOL ACTION PLAN UPDATES

**ACTION 1: SCHOOL VISION**

Engage and unite staff members, parents and students in the formulation of a Toogoolawah Vision Statement. Highlight all elements of the school’s explicit agenda and focus attention on commitment, academic rigour and collective and personal accountability for the improvement of learning outcomes for all students in the school.

**ACTION 2: CURRICULUM**

Develop systems for teachers to collaboratively plan and monitor the intended curriculum so as to ensure consistency of planning and alignment of the vertical curriculum.

The following information outlines the work completed from our 3 Month Review to 6 Month + Review for ‘Action 1’. I will publish an update for ‘Action 2’ next week.

**Student Survey:**

All Year 5 & 6 students were asked a number of questions which aligned to both the Parent and Staff survey questions.

**Parent Survey:**

36 Parents randomly selected and Mrs. Sue Seymour either telephoned these parents or they personally elected to respond via email to a number of questions.

**Vision Statement: Combined voice**

Staff, Student and Parent survey results have been collated and prioritised. This information is now being combined into a holistic statement.

An **external coach** has been engaged to work with staff around **team building**—focussing attention on commitment and collective and personal accountability for the improvement agenda.

All staff were invited to attend a Happiness **workshop**—this was a Cluster initiative with participants from Esk SS, Harlin SS, Linville SS, Toogoolawah SHS and Toogoolawah SS.

**Barbara** has engaged with Darling Downs South West **Regional** support resources and is **working with a Principal Coach**.

Barbara has elected to have a 9 Month Review. This review milestone is optional, but chosen to continue assisting us keep on track and monitor our progress towards our 12 Month Review. The 9 Month Review will be conducted on the last week of Term3.
BEHAVIOUR FOCUS: TERM 3—PERSISTENCE

You Can Do It: Increasing staying ability – It’s a bit tricky

Students will be able to increase the amount of time they stay actively engaged in hard work.

Have a look at these quotes about persistence...

This quote is certainly all about our focus this week—gradually—little bit by little bit is the way to improve.

But also... we need to be thinking like ‘The little engine who could.... Saying, “I think I can, I think I can”. ... over and over and over until we can.

There is amazing energy in positive thinking!

This is week 3 of publishing our School Rules: here are examples of Acting Safely.

We’ve participated in this previous years and are again looking forward to being part of this National event!

Head lice

Remember the presence of head lice is a very common childhood occurrence in the community. The primary responsibility for the management and treatment of head lice in students belongs with parents.

At present, the management of head lice infestations is a recurring and challenging matter. It requires commitment from the whole school community in a concerted effort to treat outbreaks and minimise transmission.

It's very easy for a person with lice to give it to another person when they come into close head-to-head contact with each other. Sometimes, lice can be transmitted by friends sharing things that have touched the hair, such as combs, brushes, hats, and headphones. Lice cannot jump or fly, so a person can't catch lice by simply sitting near someone who has lice.
Please share your lunch box ideas and recipes with our school community. Send lunchbox ideas into the school Office or even better electronically to me so they can be published and shared in our weekly newsletter.

Send lunchbox ideas to: admin@toogoolass.eq.edu.au

Lunch Box Ideas

Guacamole – chop avocado and tomato and add a squeeze of lime juice. Serve with corn chips and carrot sticks.

Popcorn – put corn kernels in a paper bag, fold top over and microwave on high for 1 minute.

Kabana and cheese with carrot, capsicum and cucumber sticks.

Thank you Mrs. Seymour for getting the ball rolling with our healthy lunch suggestions:

CITIZENSJHIP & ACHIEVEMENT AWARD

Kindly sponsored by the Toogoolawah IGA.

Aiden Eggleston

When Aiden first entered Prep it was hard for him to say goodbye to his Mum. The hustle and bustle of new students settling into school was a bit too much for him at times. But Aiden was resilient. He quickly learned the morning routine and adapted to transition of Mum leaving and the school day beginning.

Initially Aiden was an observer during classroom discussions, taking everything in but letting the louder personalities do the talking. As he gained confidence Aiden began to join in group conversations and now makes insightful topical contributions every day.
Aiden has excellent listening skills, always following instructions and getting on with the task ahead. He is a meticulous student who takes his time to produce quality work, ignoring classroom distractions.

Aiden is a responsible student who makes sensible choices, always caring for the safety of himself and others. He is a kind and considerate classmate, ready to solve problems without any fuss. Aiden has a sense of justice, giving truthful accounts of events and feeling most comfortable when people are doing the right thing.

Aiden is a quiet achiever with a scientific mind. Not content with the obvious he notices small details in nature and in the way things operate, taking everything in and storing the information.

Above all, Aiden is a fantastic class participant and a greatly valued member of the Prep Community. He is a thoroughly deserved recipient of this award. Well done Aiden!
