ATTENDANCE REVIEW

The following information shows how well ‘we are travelling’ with our attendance rate now that we are half way through this Term.

TERM 1 average = 94.4%
TERM 2 average = 91.3%

As you can see our attendance rate is just below that of our target rate. But the comparison between Semester 1 2016 with Semester 1 2015 shows that we don’t have as many students attending regularly this year.

There is a marked difference between Term 1 and Term 2 attendance. As you can see **attendance on Fridays is a concern** with 6 out of 7 Fridays below 90% attendance in Term 2. The attendance rate of 91.3% for the term is a better attendance the other days of the week.

If we are to improve this data we need to make two more goals:

1) That Friday attendance average 90% by the end of the term
2) The degree of the downward attendance trend be lessened by the end of the term
‘Giving Effort’

1. Students will be able to state the meaning of ‘effort and how it differs from ‘persistence’

2. Students will be able to state that they can choose how much effort they make to complete a task.

This week the focus rule is: ‘Care for our School’

Here are suggestions for how to enact this rule within the various areas of school life.

---

From time to time the listed items below can become problematic...

1. **Not enough in the lunch box**—this could be because of a growth spurt or eating lunch before school

2. **Sharing lunches**—school policy is that students do not share food. This is to protect against allergies and to ensure that your child eats only the food that you sent them to school, so you know what and how much they have eaten.
PARKING

Thank you to everyone who is following the new parking requirements and are no longer accessing the Staff Car Park area!

As you know it is no longer possible for parents or caregivers to access this car park as either a pick up or drop off area due to the legality around this access.

Alternate parking for parents is being sought. Meetings have already taken place and continue to take place in order to increase safe parking options for parents, caregivers and students. This is a priority and continue to be a point of advocacy.

This week another meeting was held with Main Roads, Police, Council and the School all taking part. The P&C have forwarded the parent letters they received onto the Council.

High School Musical—
‘Man of Steel’ $7.00

To help support our local high school, our school will be attending the Matinee session of ‘Man of Steel’ on Thursday 9th June 2016 at 12pm.

Students will be attending in class groups. The cost of the performance is $7.00 per student.

Please note that the school requires written notification if your child is not attending. Only those who have paid prior to the event will be attending.

Behaviour Focus—Persistence

Congratulations to the following students who were seen to be ‘Persistent’ this week:

Thank You!

The children and staff of Toogoolawah State School, Harlin State School, C&K Toogoolawah Kindergarten and Country Kids Play and Learning Centre would like to thank, from the bottom of our hearts, all the organisations who participated in and made valuable contributions to Under 8’s day 2016 at Toogoolawah State School.

It was 60 Years of Under Eights Week this year and the focus of Under 8’s day was ‘Early Learning, Everyone Benefits’. The children of Toogoolawah were able to take the time to soak up the opportunity to have fun whilst looking, listening, hearing and responding. We hope all involved found the day rewarding.

I would also like to thank the children for their exemplary behaviour and the fantastic organisation by staff from Toogoolawah State School, Harlin State School, C&K Toogoolawah Kindergarten and Country Kids Play and Learning Centre. It is because of everyone’s support Under 8’s day continues to be a signature program in our Early Childhood Education.

Looking forward to having you join us again in 2017. Look out for photos of the day at the Toogoolawah show and in next weeks’ newsletter.

Tracy Murdoch
Under 8’s Day Coordinator.

Year 1 Excursion to
The Somerset Regional Art Gallery
The Condensery Toogoolawah

We had to walk fast to keep up with Ms Murdoch and make it to the gallery in time.

Local artist Peter Coey told us about the secret curve in his art.

Mr Coey told us about the influence of Picasso on his work.

We brought along some paper and pencils to learn how to draw portraits.

Mr Coey showed us different ways to practice drawing faces. We did a great job following his instructions.
Mr Coey said he would love to see more of our art work and would like to come and visit us at Toogoolawah State School one day.

After our drawing workshop with Mr Coey we walked around the art gallery to look at different piece of art and talk about what it means to us and what we think the artist is trying to tell us in their art.

We enjoyed talking about Olga Carolan paintings on exhibit which involved colour. Everyone had their favourite painting and wanted to share their thoughts. Though we didn’t have enough time to hear from everyone we loved the exhibition.

I can’t wait to bring my family to visit the Somerset Regional Art Gallery at the Condensery Toogoolawah.
Chappy News Week 8 Term 2–2016

Chappy News for Semester 2:
Due to my ongoing health problems, I am no longer in a position to adequately fulfill the role of Chaplain. I have also been advised by my health care team that in order to give myself the best chance to recover, I need to take a break. So it is with great sadness that I inform you that I will be taking leave as of day 1 Semester 2. I plan to stay in touch with the school as a volunteer and run certain groups as opportunity arises. Whilst I am very sad to be leaving, I hope that it is only for a short time. Breakfast Club will continue in my absence, but KidsGames will be my last official activity this year.

Breakfast Club Term 2: next week Sausages (for Jilli—and everyone else who likes them!) What a good looking team! Thanks guys for covering for me in my absence.

Thanks too, to everyone who supports B’Club! Local family giving financial support and Esk Fruit and Deli
