11  First day Term 3

High School Musical—‘Man of Steel’
PAYMENTS CLOSED!!!!
As advertised, all students who have not paid by this afternoon will be supervised at school during the performance time.
REPORTING TO PARENTS

Our School Reports to parents formally at the end of each Semester. Report Cards are currently being prepared for distribution in the last week of this term.

Reporting is part of how we communicate with parents and building the school-parent partnership to improve student learning. School reporting will outline:

- the learning expectations for the student for their year level
- the student’s achievement against expected standards for their year level
- how well the student is engaging with the expected learning
- how the student may be able to improve.

REPORTING TO PARENTS

Reporting Scale For Prep:

Use the following five-point scale to report student achievement in the Australian Curriculum:

Applying (AP)
The student applies a thorough understanding of the required concepts, facts and procedures. The student demonstrates a high level of skill that can be transferred to new situations.

Making Connections (MC)
The student makes connections using the curriculum content and demonstrates a clear understanding of the required concepts, facts and procedures. The student applies a high level of skill in situations familiar to them and is beginning to transfer skills to new situations.

Working With (WW)
The student can work with the curriculum content and demonstrates understanding of the required concepts, facts and procedures. The student can apply skills in situations familiar to them.

Exploring (EX)
The student is exploring the curriculum content and demonstrates understanding of aspects of the required concepts, facts and procedures. The student applies a varying level of skill in situations familiar to them.

Becoming Aware (BA)
The student is becoming aware of the curriculum content and demonstrates a basic understanding of aspects of required concepts, facts and procedures. The student is beginning to apply skills in situations familiar to them.

N: Insufficient evidence to make a judgment.

Years 1 – 2 reporting scales

Use the following five-point scale to report student achievement in Years 1 – 2 Australian Curriculum:

Very High
The student applies a thorough understanding of the required concepts, facts and procedures. The student demonstrates a high level of skill that can be transferred to new situations.

High
The student makes connections using the curriculum content and demonstrates a clear understanding of the required concepts, facts and procedures. The student applies a high level of skill in situations familiar to them and is beginning to transfer skills to new situations.

Sound
The student can work with the curriculum content and demonstrates understanding of the required concepts, facts and procedures. The student can apply skills in situations familiar to them.

Developing
The student is exploring the curriculum content and demonstrates understanding of aspects of the required concepts, facts and procedures. The student applies a varying level of skill in situations familiar to them.

Support required
The student is becoming aware of the curriculum content and demonstrates a basic understanding of aspects of required concepts, facts and procedures. The student is beginning to apply skills in situations familiar to them.

N: Insufficient evidence to make a judgment.
Years 3 – 10 reporting scales

Use the following five-point scale to report student achievement in Years 3 – 10:

A  Evidence in a student’s work typically demonstrates a very high level of knowledge and understanding of the content (facts, concepts, and procedures), and application of skills.

B  Evidence in a student’s work typically demonstrates a high level of knowledge and understanding of the content (facts, concepts, and procedures), and application of skills.

C  Evidence in a student’s work typically demonstrates a sound level of knowledge and understanding of the content (facts, concepts, and procedures), and application of skills.

D  Evidence in a student’s work typically demonstrates a limited level of knowledge and understanding of the content (facts, concepts and procedures), and application of skills.

E  Evidence in a student’s work typically demonstrates a very limited level of knowledge and understanding of the content (facts, concepts and procedures), and application of skills.

N: Insufficient evidence to make a judgment.

Here are some snippets of previous Report Cards—they show what the Report Cards will look like for the different Year levels.

It is important to note that if your child is given:

‘Working With’
‘Sound’
‘C’

This means that your child is demonstrating an understanding and application of knowledge, concepts and skills as appropriate for their year level.
Many of the teachers are reporting that there are students in their classes who are needing an 'equipment top up'.

Some teachers have already sent home information letting parents know exactly what equipment is requiring to be replenished.

The holidays are a great time to ask your child to bring home their pencil case so that you can do a stock take and re-stock with what is needed.

A student’s stationery (that is, books, pencils, rubbers etc) are their essential tools of the trade. To not have these tools can have a significant impact on the student’s ability to complete set learning tasks.

---

**Important cyber safety tips for parents**

The department has recently been alerted to random users contacting children using the social media app ‘Instagram’. Please share the following tips with parents:

1. Know which social media your child uses.
2. Discuss with your child who their online friends and followers are. Only be friends with people online who you know in the real world.
3. Take a proactive approach and establish clear and agreed rules for your child’s internet use.
FREE DRESS DAY – Sporting Theme: Wednesday, June 22
Gold Coin Donation

Wear your favourite team colours! Maroon or Blue

The Student Representative Council have been having meetings over the last few weeks and we are looking forward to making a difference at the school.

The first fund-raising event we will be having is a free dress day on Wednesday, 22nd June. This is the last Wednesday of the term and it is also the 2nd State of Origin game.

We would like to invite you to wear your team’s colours on that day. If you don’t follow Rugby League, you can wear the colours of your favourite sporting team. You will need to make sure your clothes are sun-safe – with a collar and sleeves. On the day, please bring a Gold Coin donation. Start thinking about your favourite team and what you could wear to our Sports Free Dress Day.

Go the Maroons!! Go Queensland!!

Behaviour Focus—Persistence

Congratulations to the following students who were seen to be ‘Persistent’ this week:
Kahlia Jones          Philippa Seymour
Steven Homan          Xavier Bowles
Montana Morrison      Joshua Wiseman
WEEKLY AWARDS

Congratulations to the following students who received an award on assembly this week:

Prep
Angus Dennehy  Being persistent

Year 1
*Significant improvement in his attitude towards and achievement in spellings throughout Term2:*
Mitchell Treadwell  Brannen McLeod

Year 1/2
Year 1/2 Class  For everyone’s enthusiasm and hard work to make our show display a huge success

2/3
Reighan Walker  Fantastic handwriting with Ms Cowley
Magenta Condon  Participating in group discussions
Hughe Gillam  Contributing interesting ideas to class discussions
Steven Homan  Trying hard with his addition and learning to think for himself

3/4
*Commitment above and beyond for the 3/4 show display:*
Xavier Bowles  Thomas Delaforce

Year 5
Montana Morrison  Using her initiative to complete a job without being asked.

Year 6
Drew Humphris  Working hard to complete tests.

Digital Technologies
Aiden Eggleston  Great computer skills
Ebonnie Pearson  Great computer skills.

CITIZENSHIP & ACHIEVEMENT AWARD
*Kindly sponsored by the Toogoolawah IGA.*

**April Henderson**

April is a kind, caring and energetic member of our school community. In both the classroom and the playground you can find April striving to be inclusive and friendly towards her classmates and students from other grades. She also has a fabulous smile which we’re always keen to see more of, and which compliments her happy disposition.

In the classroom April takes great pride in producing neat bookwork and has made significant progress this semester with both her handwriting and spelling. She regularly completes her homework and always strives to be on task. She is also learning the value of being an active listener and is showing that she can become a great future leader in our school. This term April has also built up her resilience and is learning not to give up, even when a task can seem very difficult.

All these attributes combined show why April is not only a valued class member in her 1/2 class, but also an asset to our school community and its values. Congratulations April, you should feel very proud!

Gotcha Awards

Congratulations to the following students who were the winners of the weekly Gotcha draw:

*Being organised:*  Abbi Reiser  Zayne Pearson  Jacoby Fisher  Jasmine Daniells

*Being confident:*  Angelika Brown

*Being persistent:*  Patrick Wade

*Getting along:*  Reighan Walker

*Caring for our school:*  Sarah Kercher
Inter-house Athletics Carnival—Day 2

Please supply your order in a brown paper bag, with your name and House name on the front, to the tuckshop by 8.45am on Tuesday morning.
Sports Day

Thank You

We would like to thank Karremen’s Quarry for their donation of the sand for our long jump pit.

This kind donation is greatly appreciated by our school community.
Congratulations to the following students who were the winners of the **school Show Poster competition**. Thanks to everyone who helped support our local show with their entries.

These students received a book prize for their entry:

**Prep:**
- Louis Seymour
- Ben Jardine
- Kahlia Jones

**Year 1**
- Madelyn Burley
- Clancie Dull

**Year 1/2**
- Roy Harlow
- Amelia Roughan

**Year 2/3**
- Jayme Linn-Tango

**Year 3/4**
- Siarna Jones
- Freyah Granzien
- Millar Thomson

**Year 5**
- Levi Cannell
- Jasmine Daniells

**Year 6**
- Bella Seymour
- Likeera Hancock
- Dystini Taipari
- Rhian McDonnell
- Emily Anderson
- Charli Jordan
- Riley Harvey

---

Congratulations to the following students who were the winners of the **Toogoolawah Show Poster competition**.

**Prep:**
- 1st Ben Jardine
- 2nd Kahlia Jones
- 3rd Kiara Lupton

**Grade 1**
- 1st Clancie Dull
- 2nd Gabriella Thornton

**Grade 2**
- 1st Meredith Jell
- 2nd Grace Jardine
- 3rd Matilda

**Grade 3**
- 1st Wren Embrey
- 2nd Kiah Walker
- 3rd Thomas Delaforce

**Grade 4**
- 1st Kae-Cei Pearce
- 2nd Lucinda Wright
- 3rd Axel Henderson

**Grade 5**
- 1st Erica Bickers
- 2nd Jasmine Daniells
- 3rd Levi Cannell

**Grade 6**
- 1st Dystini Taipairi
- 2nd Bella Seymour
- 3rd Likeera Hancock

**Toogoolawah Show Visit Snapshots**
Under 8's Day
Snapshots
Recently Year 6 have been working on a number of units in Maths, English and Science and completing assessment items for them. They have also been practising reading and interpreting skills to help them improve their performance in such assessment items so that they can more effectively demonstrate their new found skills and understanding.

These units included plot structure in short stories, decimal place value, reading timetables and changes of state and permanent and reversible changes in various substances. At the same time as preparing displays for the show!

While some students have found these activities challenging, I have seen a growing desire amongst the whole class to do well and improve their skills and knowledge.

Our display for the show comprised various media in which the children expressed their impressions and interpretation of Lynne Reid Banks’ novel The Indian in the Cupboard, which I am currently reading to them. Anyone who saw the display would be sure to have been impressed by the quality of their artwork and detailed knowledge of the plot and characters.

Mal Cole
Teacher year 6
School Holiday FREE EVENTS PROGRAM

**Monday 27 June**
9.30am - 10.15am
