Mrs Cubit's Report...

With Mrs Cornford currently on leave, I have stepped up to fulfil her role. I wish to pass on my thanks to staff, students and parents that have had patience & supported me during this steep learning curve, over a short time. I have thoroughly enjoyed the contact with the school community that I don’t always get to experience. While visiting the classrooms this week I have seen some fun and exciting learning happening. I was super impressed with the hard work I saw in all classes but especially in our Preps. Top work guys! I had a chance to see some impressive handwriting done by the Year 1’s, exciting rotations happening in Year 1/2, some cool playdo activity with Mrs Cowley’s spelling groups, some great Map work done by 2/3 and lots more! I look forward to visiting some of the upper grades later this week. I have heard great things from Mrs Wolff about the origami group, Mrs Thornton is excited after the gardening club’s planning sessions, Mrs Cowley has shared some impressive work from her photography club. Mrs Roxborough’s sewing group has started their projects which will be impressive I am sure! I look forward to starting a singing group in the next week or so as well as starting a small art group next term. Keep your eyes peeled for more things to come.

Keep up the great work everyone!

You Can Do It Focus:

“You can solve it” is our focus for the week. This topic is about always looking for a solution. When you come across a problem where you are not sure what to do, stop and think.

There are many ways to solve it:

- Look for solutions that are safe & easy.
- Ask for help if you are stuck for ideas.
- Think about the results you are looking for. How can you get there?
- Remember to think that there can always be more than one solution to a problem!

Health Note:

Influenza A present in Darling Downs Region: Note from The Public Health Unit

Prevention is the key:

- Good hygiene is essential to protect yourself and others.
- Stay home when sick
- Wash your hands regularly with soap & water.
- Use a tissue & throw away immediately.
- Don’t share items like cups, drink bottles, etc
- Cover mouth & nose when coughing or sneezing.
School Fun Run

Wednesday, September 14\textsuperscript{th} 9:30 - 11:30

Along the Rail Trail.

Are you collecting sponsors?
Are you eyeing off a special prize?
Are you in training?
Have you returned your form if you have finished collecting?
Are you using the online funding site?

Good on you!

Thank you for helping with our school’s fundraising.

### Citizenship & Achievement Award
**Kindly sponsored by the Toogoolawah IGA.**

**JASMINE DANIELLS**
This week Jasmine Daniells is congratulated on being awarded the Toogoolawah State School Citizenship & Achievement Award. Jasmine is a hardworking student who always puts in her best effort to complete her work to a high standard. She shows care to her classmates by assisting them when difficulties arise with class work and encourages them to do their best. Jasmine has shone bright with this term’s behaviour focus: Getting Along.

Jasmine’s commitment to her learning is shown by the effort she puts in to her work to achieve above and beyond the amount of work that is expected of her. She is always willing to have a go and express her thoughts within class discussions. Jasmine is also a dedicated member of our class who always completes her class job; she helps to keep the room tidy and organised which allows it to run smoothly.

Jasmine’s appearance is always neat and tidy with her school uniform worn correctly and respectfully. She follows the school rules easily. Congratulations Jasmine! Keep up the awesome work!

### Behaviour Focus—Getting Along
Congratulations to the following students who were seen to be getting along this week:
- William Treadwell
- Kiarna Dunne
- Ruby Stevenson
- Tyler Pearson
- Elly McLeod
- Chelsea Harvey

Indigenous Artist—Arthur Conlon visit

What a fantastic opportunity our students had last Thursday and Friday, when they attended art workshops with Arthur Conlon as part of our Book Week celebrations. Arthur led them through the processes needed to create an amazing turtle drawing, giving them tips and tricks to perfect the finished product. To finish off his visit, Arthur invited the whole school to a painting demonstration where he painted three pictures which were to be given away as prizes.

Following the art demonstration, Arthur led the students in a lively corroboree dance. Three winners from this were presented with his paintings. Congratulations Riley Harvey, Erica Bickers and Gabriella Thornton, who are now the proud owners of his paintings.

Last Thursday Miss O’Hanlon’s Year 1 students had some very special visitors—our grandparents! We watched a video about school in the past, asked some questions for our History task, did some finger painting and shared morning tea. It was a great morning learning about the old and sharing the new, with some funny stories too!
Our Weekend musicians
