MASTER TEACHER UPDATE

Mr. Robertson has begun working both with teachers and in classrooms on our focus area of Mathematics.

Mr. Robertson works a 5 day fortnightly schedule in our school. On the odd numbered weeks of the Term he works Monday & Tuesday in our school and on the even numbered weeks of the Term he works Wednesday, Thursday and Friday.

Each Friday Mr. Robertson is here he is meeting with the teachers to work on class data and curriculum delivery. Mr. Robertson has also begun working in classes teaching mathematics lessons.

The work begun this year will inform the starting point for 2017.

CLASS STRUCTURE

Based on the current predicted enrolment numbers—there will be 7 classes formed for the start of the year.

NOTE that classes formed may be changed next year after Day 8.

CLASS LISTS

Class lists are currently being formed. They will be released on the last Wednesday afternoon. The lists will be posted on the noticeboard outside the Office. Please let us know if you will not be continuing next year at TSS.

BOOKLISTS: These will be sent home Week 9.
**BEHAVIOUR FOCUS—TERM 4**  
**CONFIDENCE & RESILIENCE**

**YOU CAN DO IT: Making Mistakes**

Students will be able to:

1. *state the that we all make mistakes*
2. *making mistakes is OK explain Taking Risks*

**RULES & RESPONSIBILITIES:**

1. *Report problems to adults*
2. *Answer clearly and politely*

We want students to feel comfortable and confident when working through problems with adults. We also want them to be able to ‘bounce back’ when things go wrong. As adults we know that we can learn from our mistakes—we need to teach this truism to the students.

**LIBRARY NEWS**

Class borrowing will be held on Friday this week. There will be no class borrowing on Thursday.

**Bandanna Day—Friday 4th November**

Bandannas for sale $4.00

Our school is holding Bandanna Day this Friday 4th November due to the Year 6 class being away last Friday.

Bandannas have been on sale this week for $4.00 each. We are currently sold out, but we are endeavouring to obtain more from CANTEEN. Students will be advised when we have more bandannas for sale.

You can wear your bandannas every day, but make sure you wear it on Friday!!

*National Bandanna Day is CanTeen’s largest fundraiser and aims to raise $1.25 million this year to support young people living with cancer. Every year, another 23,000 young people (63 a day) have to deal with the challenge of cancer. And we get it. Just when life should be full of possibilities, cancer crashes into a young person’s world and shatters everything. CanTeen is the game changer.*

BBQ 6pm, Carols 7pm

Events sponsored by Somerset Regional Council, LJ Hooker, Esk Lions Inc and BV Churches Working Together
Students in Year 2 and 3 have been constructing 3 dimensional shapes. We folded cubes from paper and also constructed cubes, pyramids, prisms and other 3D creations using matchsticks and blutack.
Year 2/3 News – Term 4

We have also been practising reciting poems and the students really enjoy presenting their poems to their class audience.

Students are learning about rhyme, rhythm, alliteration and repetition in poems.

They are also identifying nouns and noun groups to help understand the meaning of the poems being read.

At times we need to use the dictionary to find the definitions of words in poems.

In Geography we are learning about Australia and its neighbouring countries. We have been comparing the countries populations, climate, resources and industries. It was fun finding the definitions of these words in the dictionary as well!

The students are enjoying swimming lessons each Tuesday and Gymnastics every Friday.

We have also been grateful to have Mr Robertson (The Master Teacher) come into our class to work on group work and help us with our measurement activities.

Thank you to the parent volunteers who are coming in each Thursday to assist with Literacy groups.
